Listing of North American  
After-Fabrication Hot Dip Galvanizers

**IRONDEQUOIT BAY SEASONAL OUTLET BRIDGE**  
**ROCHESTER, NEW YORK**  
MOST DISTINGUISHED PROJECT - 1999

American Galvanizers Association

## THE AGA ADVANTAGE

The mission of the American Galvanizers Association is to preserve, enhance and protect the existence of the galvanizing industry throughout the world and to fulfill the needs of the industry for technical, marketing and other services.

Celebrating 65 years of service, the AGA provides information on the most innovative applications and state-of-the-art technological developments in the field of galvanizing. The Association maintains an extensive technical library and provides multi-media seminars to educate and train in the specification and use of hot dip galvanizing. The AGA also provides a toll-free technical support hotline, offering assistance to both specifiers and galvanizers in North America:

(800) HOT. SPEC (800) 468.7732

PRESERVING THE PAST

ENHANCING THE PRESENT

PROTECTING THE FUTURE

## GALVANIZEIT!

A half-day seminar, GalvanizeIt! is devoted to the application and specification of galvanizing for corrosion protection. This complimentary seminar is designed for engineers, architects and other specifiers. The goal is to increase awareness of the benefits of after-fabrication hot dip galvanizing. Topics covered include: Specification Design and Inspection of Galvanized Products; Touch-Up, Repair and Painting of Galvanized Steel; Galvanizing Economics, and much more.

## [www.galvanizeit.org](http://www.galvanizeit.org)

Visiting the AGA on-line is the fastest way to get the answers that you need. Our home page offers access to specification listings, publications listings, publication order forms, GalvanizeIt! seminar dates & locations, AGA member names, phone and fax numbers, kettle sizes, web site and email links, and much, much more.

Please email us with any questions:
