

OTTAWA VALLEY LAND ROVERS

1016 NORMANDY CRESCENT OTTAWA ONTARIO CANADA K2C OL4

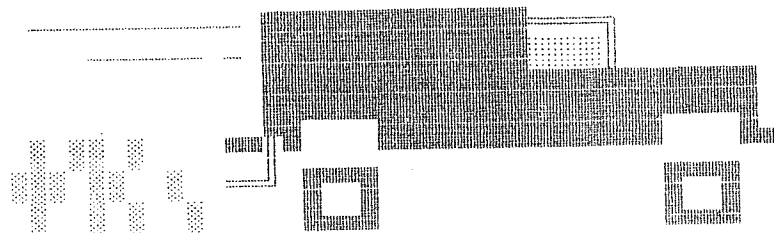

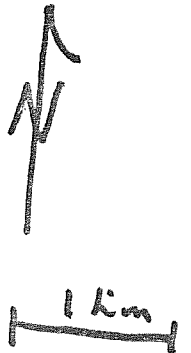

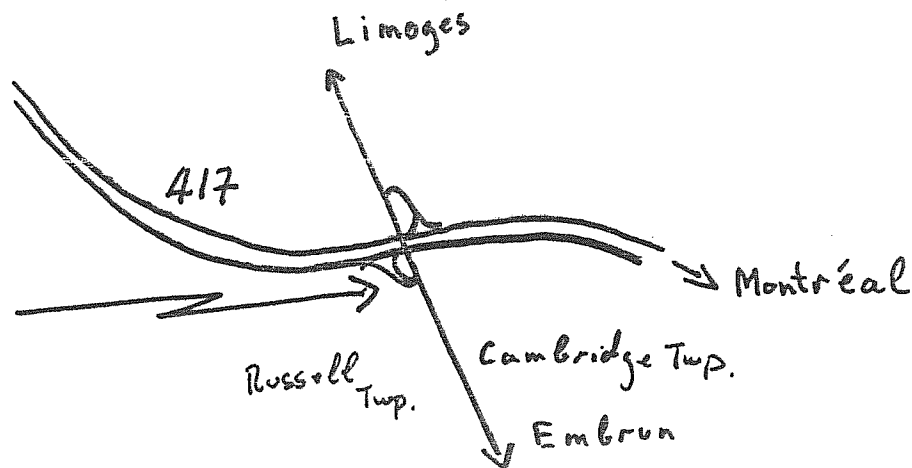

!!!!!! BIG NEWS !!!!!

Jason Dowell won the⁺Jeep Cup Off Road Rally divisional event staged in Durham July 11th. There was a field of forty-eight vehicles including some incredible jacked-up V-8 monsters and only two land-Rovers. Somebody was heard to say after the event. "Some guy from Ottawa won it, in a Land-Rover, CAN YOU BELIEVE IT". Jason gets a factory ride in Reno to run in the main event. Good-Luck Jason, too bad you can't have a 110 from Solihull for the final rally!

The next exec meeting will be at Tony Fowler's Wed. Aug. 26th. 429 Concession Street, Russell; come along and see democracy in action!

⁺American manufacturer of two & four wheel drive vehicles.

Meet here
exit 79
(Limoges, Embrun)
10:00 A.M. Aug. 14

"LAND ROVER"

The exec along with Vernon Fairhead, Jason and Gerry Dowell met at "Crackers" on the 29th to discuss club business, consume multitudinous quantities of chicken wings, and to imbibe in cool libation. We have just purchased a copy of an address organizing software, and a large roll of tractor feed labels in order to update the mailing list and to streamline the mailing of the newsletter. The August or September version should have an updated list of members for you to scrutinize.

The garage sale has been indefinitely postponed and probably cancelled due to lack of interest, however we are definitely going to have a convoy leave here Friday August 14th to attend the Rovers North Rally that weekend. Members are invited to camp (bathroom facilities available, depending on the water pump!) at Tony Fowler's cottage Fri. & Sat. which is on Lake Champlain and an easy one hour drive from Rovers North. I will be waiting for all those who wish to come to the exit (see p. 2) of the 417 at 10:00 a.m. on the 14th. It is approximately a 250 km. drive to the cottage. Saturday's plans include technical sessions, an off-road event, the movie Crocodile Dundee, and the actual rally will be on Sunday. Come along it should be a lot of fun.

The Pic-Nic Sat. Sept. 12 will feature a corn roast and will be held at Vernon Fairhead's in Shawville. A few of us are going to scout out the "back-forty" for an off-road tour with Vernon and consolidate the plans, so as to report full details to the membership in the next newsletter.

Any body want to go to Australia for the International Land-Rover Convention March 1988, sponsored by the Sydney branch of the Australian Land-Rover owners club? Perhaps the club should send a delegate from the exec. who speaks ostryun! Seriously, we have been invited and anybody interested should call Tony.

Also it appears that unipart is getting out of the Land/Range-Rover parts business and is asking for bids in order to sell their stock. The club has received an offer to tender, however it looks a little beyond our means! e.g. 200 rear brake hoses, 1,000 brake shoe sets, 5,000 ignition coils, etc.! If anybody is interested call myself or Neil.
